Mark,

Yes, I am fine with replacing Marc Volovic of Amdocs with Mark Gibson also of Amdocs as a Committer for the External API Project.

Raluca: Please also respond to this email, so that we can formally request the change in committer.

Best Regards,
Andy

Hi Andy

We've agreed in Amdocs to replace Marc Volovic with me as a committer on the External API project. This lines up much better with our work priorities. Are you OK to make the changes needed?

Regards
