Dear Team,

Given to his contribution in Amsterdam release, I recommend Kanagaraj to be promoted as the committer of the Swagger SDK sub-project of MSB. According to the committer promotion guide of ONAP community, please response this mail with +1, 0 or -1 to show your preference at this promotion.

Here you can see the contribution history of Kanagaraj in Amsterdam. https://wiki.onap.org/pages/editpage.action?pageId=16003808

Thanks,
Huabing
