Subject: Committer promotion : Herbert Eiselt (Highstreet)

CCSDK Committers,

I would like to nominate Herbert Eiselt for promotion to committer for the CCSDK project. Herbert is a member of the SDNR team, where he has been a lead contributor for the past several releases. You can find the details of his contributions on the following wiki page:

<https://wiki.onap.org/display/DW/Committer+Promotion+Request+for+CCSDK+-+Herbert+Eiselt>

Please reply to this email with a +1 if you approve/concur with this promotion or a -1 if you do not concur.

Thanks!
Dan
