Subject: [EXTERNAL] Committer promotion : Kevin Smokowski

Nicolas, Gaurav, Brinda, Jack:

I would like to propose promoting Kevin Smokowski (AT&T) to committer for CCSDK – specifically, for the
repos relating to the SDNC and APPC projects.

Kevin has been a strong code contributor for some time now, and has particular expertise in the SLI platform
itself. The particulars of this request can be found in the following wiki page:

https://wiki.onap.org/display/DW/Committer+Promotion+Request+for+CCSDK+-+Kevin+Smokowski

Please reply to this email with "+1" if you approve, "-1" if you disapprove, or "0" if you have no opinion.

Thanks!
Dan
