**Subject:** Vote to promoting the committers for the repo of modelspec

Hello all

We would like to promote the top 4 contributors in 2018 to the committers of repo of modelspec as below proof.

- 1 Kevin Scaggs
- 2 Jessie Jewitt
- 3 Xu Yang
- 4 Chuyi Guo

I would like to do an internal vote among the current committers of modelspec repo.

- 1) If you agree above action, please vote +1
- 2) If you have no opinion, please reply 0
- 3) If you disagree action, please vote -1

Please kindly help to response before next Wednesday

Thanks a lot for your vote  
Best regards,

DENG Hui
