Raluca, Mark,

I wholeheartedly nominate and cast my vote to approve both Eric Debeau and Matthieu Geerebaert from Orange as committers for the ONAP External API Project.

It goes without saying the extensive and valuable contributions that both of these nominees continue to have on our project.

If you would kindly respond to this email with your vote on these nominations, it would be greatly appreciated.

The related committer proposal wiki page may be found at: <https://wiki.onap.org/pages/viewpage.action?pageId=15995154>

Best Regards,  
Andy
