**Subject:** Committer promotion : Kapil Singal

Nicolas, Gaurav, Brinda, Jack:

I would like to propose promoting Kapil Singal (AT&T) to committer for CCSDK – specifically, for the repos relating to the SDNC and APPC projects and to CDS.

Kapil has been a strong code contributor, primarily in the CDS project where he is one of our technical leads. The particulars of this request can be found in the following wiki page:

<https://wiki.onap.org/display/DW/Committer+Promotion+Request+for+CCSDK+-+Kapil+Singal>

Please reply to this email with “+1” if you approve, “-1” if you disapprove, or “0” if you have no opinion.

Thanks!  
Dan
