Subject: Committer promotion: Jozsef Csongvai

CCSDK committers,

I would like to recommend that Jozsef Csongvai (Bell Canada) be promoted to committer for the CCSDK project. Jozsef is a leading contributor to the CDS work within CCSDK, and I believe will be an excellent addition to our fine set of committers! Here is a wiki page summarizing Jozsef's contributions to date:

<https://wiki.onap.org/display/DW/Committer+Promotion+Request+for+CCSDK+-+Jozsef+Csongvai>

Please reply to this email with a +1 if you approve of Jozsef's promotion or a -1 if you do not.

Thanks!

Dan
