Onboarding/Pre-Onboarding Definition (WIP)

We always talk about Onboarding/Pre-Onboarding in different group (e.g. modeling subcommittee onboarding data model, 5G U/C). I'm trying to figure out the difference between ETSI/ONAP across multiple component/projects/U/Cs and clarifying the implementation in ONAP.

- Pre-Onboarding
- ONAP Onboarding
- ETSI On-board Definition (Operation)
