

Contributing To AAI By Assisting with Sonar Reports

Audience

- First time contributors to AAI
- Learning about the AAI code
- Introducing yourself to the ONAP project

References

- <https://sonar.onap.org/projects?search=aai&sort=name>

Expectations

- Not every Sonar report is worth fixing. Please show that your contribution visibly moves the metrics by a valuable amount!
- One JIRA ticket per AAI repository and one Gerrit review per AAI repository, grouping together multiple file changes
 - No one-liner gerrit reviews please!
- It's great to have you contributing, but please don't overwhelm us with reviews!
- Attend the AAI meetings (check calendar at [Community Meetings & Calendar](#)) and review [AAI Meeting Notes](#) for guidance on useful contributions

Where to Start

- See JIRA Epic case  [AAI-2125 - Contributing To AAI By Assisting with Sonar Reports](#) OPEN and choose a Story:
 -  [AAI-2126 - Improve Sonar Reliability metric](#) OPEN
 -  [AAI-2127 - Improve Sonar Security metric](#) OPEN
 -  [AAI-2128 - Improve Sonar Maintainability metric](#) OPEN
 -  [AAI-2129 - Improve Sonar Coverage metric](#) CLOSED
 -  [AAI-2130 - Improve Sonar Duplications metric](#) OPEN
- Assign to yourself one of the tasks in the stories (or create your own sub-task) and then work on resolving it!
- Please build it locally in your development environment before pushing to gerrit for review!
- Refer to AAI project wiki pages

Who to Ask / Add as Reviewers

- [Jimmy Forsyth](#)
- [Keong Lim](#)
- [Venkata Harish Kajur](#)
- [Tian Lee](#)
- [Chandra Cinthala](#)
