

Setting Up ONAP

Read the following before you go through the demo - to get a detailed view of the flow and artifacts.

- [Running the ONAP Demos](#)
- [ONAP on Kubernetes](#)
- [Verifying your ONAP Deployment](#)
- [Overall Deployment Architecture](#)
- [ONAP on Alternative Environments](#)
- [ONAP Installation in Vanilla OpenStack](#)
- [ONAP Deployment Specification for Finance and Operations](#)
- [ONAP on Titanium Cloud](#)
- [How-To: Register a VIM/Cloud Instance to ONAP](#)
- [Robot instantiateVFWCL](#)

see [Cloud Native Deployment](#) and https://onap.readthedocs.io/en/beijing/submodules/oom.git/docs/oom_developer_guide.html
