

# Kohn: Lessons Learned

	Description	Documented By	Comments / Followup
1	Release branch creation for OOM should be assigned to Sign Off instead of RC.	<a href="#">David McBride</a>	This issue was raised by <a href="#">Andreas Geissler</a> in the TSC meeting on Oct 27. This has been corrected in the Jira script.
2	Weather board update not applicable for OOM.	<a href="#">David McBride</a>	From Andreas' comment in OOM-3030 This has been corrected in the Jira script.
3	Reviewing code coverage goals is not applicable for OOM	<a href="#">David McBride</a>	From Catherine's comment in OOM-2969 Q: Why isn't the task in OOM-3024 also affected? This has been corrected in the Jira script.
4	Assign documentation tasks (arch description and diagram) to the Arch Subcommittee	<a href="#">Thomas Kulik</a>	This could potentially be done for the London release. Need to get buy-in from the Arch Subcommittee
