## Discussion items

Time	Item	Who	Notes
20min	Issue faced this Weekend	All	<ul style="list-style-type: none"><li>• Martial presented the list of issues that the team faced this Weekend</li><li>• Martial/Ron discussed about where the information is and the issue discovered in the policy handler</li><li>• Current implementation should be aligned with R1 - issue will come back in R2</li><li>• Policy Model changes were not communicated to the team (items 2-3)</li><li>• examples on wiki are not complete - confusion arose from that (item1)</li><li>• similarly DCAE interface - Ron will send a link for the team to review, but it is clear some API details are not documented</li></ul>
5min	Holmes integration	All	<ul style="list-style-type: none"><li>• Configuration Policies are not actually working between Policy and DCAE</li><li>• Even if CLAMP can provision it in Policy, this means the Holmes integration cannot be tested right now</li></ul>

## Action items

- ☐ Martial to communicate with Pam and Lusheng about this discussion
