

# Modeling Tool Poll

**NOTE:** This poll closes on February 28th, 2018

Location of information related to the use of [GitHub for Papyrus](#)

## Poll Question

Do you approve the use of GitHub as a tool for the versioning of ONAP Papyrus Models?

Please put your @name in the Approve or Disapprove Column followed by any comments you might have.

Approve	Disapprove	Poll Comments
<a href="#">Brian Hedstrom</a>		This is needed to track Model Committers
<a href="#">Alexander Vul</a>		Ditto...
<a href="#">Nigel Davis</a>		We can gain insight from ONF/MEF usage
<a href="#">Andy Mayer</a>		Agree
<a href="#">Jessie S Jewitt</a>		Agree with Nigel's comment
<a href="#">Xu Yang</a>		Governance issues need to be considered
<a href="#">Michela Bevilacqua</a>		
<a href="#">Kevin Scaggs</a>		Not aware of another viable option, and also agree with Nigel's comment.
<a href="#">Michael O'Brien</a>		Agree - github is used as a secondary repo for a some of our components and third party libraries
<a href="#">Arun Gupta</a>		
<a href="#">spolston</a>		
<a href="#">Pamela Dragosh</a>		
<a href="#">jianguo zeng</a>		agree, seems no better tools than github
<a href="#">Lingli Deng</a>
