

OOM Developer Guide

- [Summary](#)
- [Project Artifacts](#)
- [Getting Involved](#)

Summary

This guide is for teams that wish to start developing for the OOM project in various capacities including

- Developers in other projects wishing to add/modify pods
- Developers new to OOM
- Developers that require the assistance of OOM developers to add/modify their pods
- The official [OOM Developers Guide](#) is located at the readthedocs site

Project Artifacts

[ONAP Operations Manager Project](#)

<https://docs.onap.org/projects/onap-oom/en/latest/index.html#master-index>

<https://docs.onap.org/en/latest/guides/onap-operator/setup/index.html>

http://onap.readthedocs.io/en/latest/submodules/oom.git/docs/oom_setup_kubernetes_rancher.html - Rancher specific install instructions.

https://git.onap.org/logging-analytics/tree/deploy/rancher/oom_rancher_setup.sh, <https://git.onap.org/logging-analytics/tree/deploy/azure>, <https://git.onap.org/logging-analytics/tree/deploy/aws> Installation scripts specific to Rancher, AWS, Azure

Reference deployment (master) - <http://jenkins.onap.info/job/oom-cd/>

Getting Involved

Attend the weekly meeting on Wed at 1000 EDT (GMT-4) [OOM Weekly meeting notes](#) on <https://zoom.us/j/118908904>

Post any questions to the onap-discuss list with the header OOM in square brackets or a #oom tag in <https://lists.onap.org/g/onap-discuss/topics>

Review gerrit commits merged and in-review

<https://gerrit.onap.org/r/#/q/status:open+oom>

<https://gerrit.onap.org/r/#/q/status:merged+oom>

When committing code - add all the committers and contributors to get the largest audience possible - get the list from the other jiras in review, consult the list in <https://git.onap.org/oom/tree/INFO.yaml#n24> - the minimum subset is [Mandeep Khinda](#), [Mike Elliott](#), [Borislav Glozman](#) and [Jun Hu](#). You may post comments on your review stating which developers are targeted for extended reviews/testing, your before/after test results and whether the work is still a WIP. example: <https://gerrit.onap.org/r/#/c/28455/>

Developer list - [ONAP Operations Manager \(5/10/17\)#Resources](#): Automated list on <https://git.onap.org/oom/tree/INFO.yaml#n24>
