

Security Sub-committee Members

Purpose of this wiki page

As per the ONAP working procedures there should be a yearly election of the security sub-committee chair and sub-chair. Formally this is the ONAP security coordinator as well as the security sub-committee chairperson and formally the chair of the vulnerability management sub-committee.

There will be a single vote to select a chair and vice chair.

Voting will follow the recommendations described on: [Voting Best Practices](#)

Name	Email	Company	2018 Voting Status	2019 Voting Status	2020 Voting Status	2021 Voting Status
