

12-10-2018 VF-C Weekly Meeting

Attendees:

Yan, haibin, maopeng, GL, jinhua, Ping Jing, Tianxing Liu, Victor

Agenda:

1. [VF-C requirements collection for Dublin release](#)

Meeting Slides:

Minutes:

1. Yan summarized the process of the follow-up actions after last week's meeting
Maily summarized the committer role confirmation and contributors' contribution in past 6 months in VF-C and give the normination suggestion and will open vote within VF-C committer list
2. Yan briefly introduced the Casablanca maintenance release timeline and scope
Considering VF-C didn't have highest and high bugs , so VF-C will not participate in Casablanca maintenance release and the main resource plan to contribute in Dublin release.
3. Looked through the VF-C requirements for Dublin release
After last week's meeting and combined with the use case and functional requirements, Yan added more content in VF-C Dublin requirements table.
People have expressed their intention to contribute

Action:

1. Yan will send email to ask for the contribution intention
2. Yan will create the JIRA tickets for each task
