Apr. 2019 ONAP M-SDOs workshop

ONAP is planning to host ONAP M-SDO workshop on Apr. 1st, in order to make the workshop more efficent, the following step are considered

1) Collect issues related to SDOs in ONAP

2) Send those issues to SDOs and invite them to explain, recommend the resolution on those issues.

3) Arrange the program based on SDO's response to resolve ONAP issues.
