Topics, Notes, Status and Follow-Up Tasks

Topics	Notes / Status / Follow-up
Jira backlog review	https://jira.onap.org/projects/DOC/issues/DOC-380?filter=allopenissues https://jira.onap.org/browse/DOC-397?jql=project%20%3D%20DOC%20And%20fixVersion%20%3D%20%22Dublin%20Release%22 We went through all tickets. Some are till unassigned We will create one "Epic" for future improvements/good to have where we will store tasks that are currently not working on
Dublin release	Next meeting we will discuss doc impact in Dublin. New features that we need to be aware of? New projects that need support?
