

March 20, 2019

Attendees:

Yan Yang, LingLi

Agenda:

1. Lab Update - Orange Lab, CMCC lab, Rutgers University Winlab
2. How to oversight lab utilization

Minutes:

1. Lab update
Discuss the current lab status, until now only receive three lab update, need more detail and feedback.
Discuss the material shared from CMCC Lab which experience can share with more Labs .
2. How to oversight lab utilization - move to next meeting

Action:

Yan will apply time on TSC meeting to introduce Lab progress and call for other lab feedback.

Yan suggest each lab can have a update session in the following Open Lab meeting.
