Dublin 5G - PNF PnP - Test Status

Test Cases description

COMPLETED ON STAGING

FAILED ON STAGING

TC ID	TC Name	Status	Comment
T01	Create and distribute service which contains PNF	09.05.2019 FAILED ON STAGING 20.05.2019 COMPLETED ON STAGING	There is no possibility to distribute model for PNF due SDNC issues (lack of one table in SDNC db) SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED and SDNC 757 - PNF model distribution fails in SDNC CLOSED. After applying WO from SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED model has been distributed and everything works fine. Waiting for correction in SDNC
T02	Waiting for PNFReady	09.05.2019 FAILED ON STAGING 20.05.2019 COMPLETED ON STAGING	There is no possibility to distribute model for PNF due SDNC issues (lack of one table in SDNC db) SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED and SDNC 757 - PNF model distribution fails in SDNC CLOSED. After applying WO from SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED model has been distributed and everything works fine. Waiting for correction in SDNC
Т03	PNF registration accepted when AAI entry created in advance	09.05.2019 FAILED ON STAGING 20.05.2019 COMPLETED ON STAGING	There is no possibility to distribute model for PNF due SDNC issues (lack of one table in SDNC db) SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED and SDNC 757 - PNF model distribution fails in SDNC CLOSED . After applying WO from SDNC Parser is failing to extract the PNF model CLOSED model has been distributed and everything works fine. Waiting for correction in SDNC
T04	PNF registration accepted when AAI entry created with delay	09.05.2019 FAILED ON STAGING 20.05.2019 COMPLETED ON STAGING	There is no possibility to distribute model for PNF due SDNC issues (lack of one table in SDNC db) SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED and SDNC 757 - PNF model distribution fails in SDNC CLOSED. After applying WO from SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED model has been distributed and everything works fine. Waiting for correction in SDNC
T05	PNF registration rejected	09.05.2019 COMPLETED ON STAGING	
T06	Parallel PNF PnP flows	09.05.2019 FAILED ON STAGING 20.05.2019 COMPLETED ON STAGING	There is no possibility to distribute model for PNF due SDNC issues (lack of one table in SDNC db) SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED and SDNC 757 - PNF model distribution fails in SDNC CLOSED. After applying WO from SDNC 756 - SDNC Parser is failing to extract the PNF model CLOSED model has been distributed and everything works fine. Waiting for correction in SDNC
T07	PNF registration accepted when AAI entry is created using AAI API (without SO instantiation)	09.05.2019 COMPLETED ON STAGING
