

Weekly meeting (08/01/2019)

Opens:

- Discussion needed for AAI update for vm module, vserver etc
- Issue about networks not created randomly
 - KUD on top of Openstack that is when the issue happens. Bug report was filed.
- Cleanup/Update needed after some KUD tests.

	JIRA	Owner	Status
1	<p> MULTICLOUD-457 - Updating AAI upon successful instantiation of resource bundle CLOSED</p> <p>Updating AAI upon successful instantiation of resource bundle.</p> <p> MULTICLOUD-675 - Monitor Resources and Update AAI and any other data stores OPEN</p> <p>Monitor Resources and Update AAI and any other data stores</p> <p> MULTICLOUD-745 - Map AAI model to kubernetes resources and their status CLOSED</p> <p>Map AAI model to kubernetes resources and their status</p>	Kiran Kamineni	<p>In Progress</p> <p>Design is on-going along with updating AAI. Tech Mahindra is going to start working</p> <p>Working on creating Operator for collecting data.</p>
2	<p> MULTICLOUD-577 - Add support for logging CLOSED</p> <p>Add support for logging</p>	Thamlur Raju	<p>Transferred to Milind's team.</p> <p>Considering using formatted log using logrus, golang provided default logging (log). Will start discussion on this.</p>
3	<p><input checked="" type="checkbox"/> MULTICLOUD-586 - Figure out how to keep track of dependent resources OPEN</p> <p>Figure out how to keep track of dependent resources</p>	Kiran Kamineni	In Progress. Related to Item 1.
4	<p><input checked="" type="checkbox"/> MULTICLOUD-599 - Cache kubernetes clients instead of creating one everytime OPEN</p> <p>Cache kubernetes clients instead of creating one everytime</p>	Kiran Kamineni	Not started work. Move to next release
5	<p><input checked="" type="checkbox"/> MULTICLOUD-654 - Convert two part api to a single multipart API OPEN</p> <p>Convert two part api to a single multipart API</p>	Kiran Kamineni	Not yet started. Needs change in Multicloud
6	<p> MULTICLOUD-662 - Add Find/Get method to get instance for a particular profile CLOSED</p> <p>Add Find/Get method to get instance for a particular profile</p>	Kiran Kamineni	Not started
8	<p><input checked="" type="checkbox"/> MULTICLOUD-677 - label resources created via instances CLOSED</p> <p>label resources created via instances</p>	Kiran Kamineni	Patch in review
9	<p> MULTICLOUD-746 - Use docker like names to identify instances instead of random strings CLOSED</p> <p>Use docker like names to identify instances instead of random strings</p>	Kiran Kamineni	Not started. May be moved to next release

10	<p> MULTICLOUD-693 - Cloud Security and Authentication using ISTIO CLOSED</p> <p>Cloud Security and Authentication using ISTIO</p> <p>Subtasks:</p> <p> MULTICLOUD-740 - Provide Helm chart for ISTIO installation CLOSED</p> <p>Provide Helm chart for ISTIO installation</p> <p> MULTICLOUD-744 - Modify helm charts for micro services to enable Auto istio-injection CLOSED</p> <p>Modify helm charts for micro services to enable Auto istio-injection</p> <p> MULTICLOUD-743 - Testcase to Create users and give them access to only specific resources - Documentation CLOSED</p> <p>Testcase to Create users and give them access to only specific resources</p> <p> MULTICLOUD-744 - Provide Authentication and Authorization by OAuth (Insider Cluster) CLOSED</p> <p>Provide Authentication and Authorization by OAuth (Insider Cluster)</p>	Pramod Raghavendra Jayathirth	<p>Kiran - 1) Helm Chart patch ready, figuring out where in demo repo</p> <p>2) Work in Progree</p> <p>Pramod update with status</p>
11	<p> MULTICLOUD-684 - OVN Network Operator CLOSED</p> <p>OVN Network Operator</p>	Ritu Sood	<p>Work in Progress.</p> <p>CRD is defined and documented.</p> <p>Converted existing code to operator sdk framework and added Network Operator to same controller. Working on creating Docker Image and testing.</p>
12	<p> MULTICLOUD-474 - OVN Provider Network and Routes operator IN PROGRESS</p> <p>OVN Provider Network and Routes operator</p>	Ritu Sood	<p>CRD's are defined and documented.</p>
13	<p> SO-2440 - investigate the aai update schema used by workloads CLOSED</p> <p>investigate the aai update schema used by workloads</p>	Eric Multanen	<p>In Progress</p> <p>Examples are being documented here: AAI Update after Resource Instantiation#ExampleofAAIdataforvFW(non-K8S)usecase</p>
14	<p> SO-2400 - Investigate calls used to update AAI CLOSED</p> <p>investigate calls used to update AAI</p>	Eric Multanen	<p>In Progress</p> <p>Examples are being documented here: AAI Update after Resource Instantiation#Heatbridgecode</p>
15	<p> SO-2084 - Determine heat template needed to avoid preload for k8s workload CLOSED</p> <p>Determine heat template needed to avoid preload for k8s workload</p>	Eric Multanen	<p>Not yet started. Plan to finish it in EI Alto.</p> <p>Is there some way to avoid interaction with SDNC? Is it a VID issue?</p>
16	<p> SO-2027 - Distribution error for type SO for CLOUD_TECHNOLOGY_SPECIFIC_ARTIFACTS CLOSED</p> <p>Distribution error for type SO for CLOUD_TECHNOLOGY_SPECIFIC_ARTIFACTS OPEN</p>	Eric Multanen	<p>Not yet started. Plan to finish it in EI Alto.</p>
17	<p> SO-4448 - Support v1 and v2 vnf adapter api CLOSED</p> <p>Support v1 and v2 vnf adapter api</p>	Eric Multanen	<p>Not yet started. Plan to finish it in EI Alto.</p>

18	 SO-1450 - support for secure communications between SO and Multicloud CLOSED	Eric Multanen	Discussion with Seshu and Bin Yang. Multicloud hasn't made this change yet. May not happen in EI Alto
	support for secure communications between SO and Multicloud		
19	 MULTICLOUD-804 - Investigate running closed loop with K8S vFW CLOSED	Eric Multanen	Investigating the existing code. Trying to understand key point. Sent an email to the mailing list. Lukaz - May be related to information in AAI. vserver IP address, etc needed by controllers. May be blocking issue.
	Investigate running closed loop with K8S vFW		
20	 MULTICLOUD-749 - Document in wiki workaround needed in Dublin release CLOSED	Liang Ding	
	Update wiki for broker issue		
21	 MULTICLOUD-639 - KUD plugin.sh test fails for vnf instantiation as cloud-region not found CLOSED	Konrad Baka	In review
	Plugin.sh testcase		
22	<input checked="" type="checkbox"/> MULTICLOUD-676 - Tweak install scripts to enable clean reinstall on the same machine CLOSED	Konrad Baka	Closed with comments
	MULTICLOUD-676		
23	<input checked="" type="checkbox"/> MULTICLOUD-686 - Enable testing for working plugins during installation CLOSED	Konrad Baka	In progress/in review
	MULTICLOUD-686		
	CI tests, Also Go version		
24	<input checked="" type="checkbox"/> MULTICLOUD-707 - Provide KUD-testing CI visibility at gerrit review level CLOSED	Konrad Baka	On hold (waiting for LF response) LFN contacted with Konard and explained them what is needed. TSC approval may be required. Konard will send an email summarizing the issue.
	MULTICLOUD-707		
25	<input checked="" type="checkbox"/> MULTICLOUD-708 - Verify proper work of vFW services in demo/tests CLOSED	Konrad Baka	In progress. Patch submitted
	MULTICLOUD-708		
	vFw testingwith Plugin		
26	 MULTICLOUD-690 - Correct issues with KUD addons installation CLOSED	Konrad Baka	In review.
	MULTICLOUD-690
