Agenda Items

START RECORDING

	Title	Raised By	Status	Last discussed	Notes
1	AAI models available	Pavel Paroulek	DONE	2019-09-16	<p>aaimodel.uml - the generated AAI model for Papyrus</p> <p>Further work - what to add/change/improve?</p> <p>2019-09-16: Pavel produced a new uml document which fixes issues with cardinality. Jacqueline has successfully imported the new file. Jacqueline gave a demo of latest models in Papyrus</p>
2	Modeling outputs	Jacqueline Beaulac	IN PROGRESS	2019-09-16	<p>Modeling team wants multiple outputs:</p> <ul style="list-style-type: none">■ class diagrams■ tabular format document generated with https://www.eclipse.org/gendoc/ <p>These are manually generated from the model information about the classes, associations, etc.</p> <p>Jacqueline Beaulac will try to apply the generated model to the toolchain to see what we get. This process could be automated, TBD</p>
3	A&AI schema validation	Pavel Paroulek	OPEN		Validation rules for the A&AI schema AAI Schema and EdgeRule Audit rules
4	AAI Schema		IN PROGRESS	2019-08-26	<p>Need to know if there exists a document which describes the various edge labels (BelongsTo, AppliesTo, IsA) as well as the semantics and rules for building / update the AAI schema. Inviting Chandra Cinthala to our discussion on 9 Sep</p> <p><input type="checkbox"/> James Forsyth will copy the doc to the AAI wiki</p>
5	AttachesTo EdgeRule label	Keong Lim	DONE	2019-09-09	<p>Jacqueline Beaulac :</p> <p>Regarding the discussion about the AttachesTo EdgeRule label, I have found that it appears in several places including:</p> <ul style="list-style-type: none">■ https://gergit.onap.org/r/gitweb?p=ccsdk/features.git;a=blob;f=blueprints-processor/plugin/model-provider/src/main/java/org/onap/ccsdk/features/model/ConfigModelConstant.java;h=02e4553b354e8a5e91a2349fa41faeda9187473e;hb=HEAD#l72■ https://gergit.onap.org/r/gitweb?p=cli.git;a=blob;f=products/onap-dublin/features/sdc/src/main/resources/open-cli-sample/service-model/service2vf-model-list-schema-dublin-moco.json;hb=HEAD#l4328■ https://gergit.onap.org/r/gitweb?p=multicloud/azure.git;a=blob;f=azure/aria/aria-extension-cloudify/src/aria/extensions/aria_extension_tosca/profiles/tosca-simple-1.0/nodes.yaml;hb=HEAD#l104 <p>It seems that it is part of the TOSCA Simple profile 1.0, so it should not be changed lightly:</p> <p>http://docs.oasis-open.org/tosca/TOSCA-Simple-Profile-YAML/v1.0/csprd01/TOSCA-Simple-Profile-YAML-v1.0-csprd01.html#_Toc430015761</p>

6	Descriptions in UML	Pavel Paroulek	OPEN	2019-09-16	Schema-service is not providing descriptions that the AAI UML generator can use. Might need to be a change in the OXM descriptions. Tracked here:  AAI-2606 - Schema-service entity description is not available CLOSED
