2017-07-03 MSB Meeting

Agenda

1. Introduction: Everyone will have one or two minutes to introduce yourself so the team can know each other.
2. Logistics: I'd like to discuss with the team about the recurrent meeting frequency and time slot, as well as online communication tools such as mailing list, IRC, etc.
3. Amsterdam release planning: https://wiki.onap.org/display/DW/MSB+Deliverables+for+Planning+Milestone+Checklist
Other things the team bring tout If we get time left after the listed topic.

Action Items:

1. HuabingZhao request LF to add a placeholder for the MSB weekly call at the ONAP calendar.

2. HuabingZhao and Pamela Dragosh connect the DMaaP team to discuss the possibility to leverage MSB for DMaaP topic discovery
