ATTENDEES

NOTES

- Next week's meeting cancelled due to upcoming Holiday week for US - most US based folks taking vacation.
- Discussion on CLAMP merger - where is it at? Still waiting to schedule meeting with arch committee
 - questions regarding how does this affect Honolulu control loop testing? Folks do not have an answer.
- CLAMP maintenance for Honolulu does not impact DCAE or POLICY (except if the decision is approved and code needs to be moved. Resources will be impacted doing the work).
- [Pamela Dragosh](#) discussed plans for testing Drools PDP with shared distributed database. May result in features for Istanbul - TBD.
