ONAP Projects

	DESCRIPTION
All Approved Projects	**Alphabetical list of all approved ONAP projects.** **If you don't know where to start looking, start there.** 🙂
New Project Proposals	Instructions for proposing a new ONAP project as well as any WIP drafts
Approved Projects By State	
Incubation	The project is active and resourced, but is recognized to be in the early stages of development.
Mature	The project active and demonstrates stable output within a history of releases and implementation.
Core	The project is active, stable, has a history of releases and has been generally adopted by a broad audience.
Unmaintained	The project is no longer active but some aspects are still in use by other ONAP project teams.
Archived	The project is no longer active and not in use by other ONAP project teams.
Canceled	A final resting place for project proposals that were rejected, withdrawn or abandoned - Not an official lifecycle state
